To

Lieut. Geo. A. Quilty

Late of Co., 2^d, Batty Regt. Vt. Vols.

SIR:

At the last annual meeting of the VERMONT RE-UNION SOCIETY OF VERMONT OFFICERS, which was holden at Montpelier, on the 25th day of October, 1866, it was voted:

That the Adjutant and Inspector General be requested to prepare a suitable place in his office for displaying and keeping the photographs of Vermont Officers, and that he be requested to solicit from all officers of Vermont troops who served in the late war, their photograph, (Carte-de-visite) with their autograph at the bottom; and it was further voted that the officers be requested to send (if possible) photographs which were taken in uniform.

In compliance with this request, which comes from so high a source, the Adjutant and Inspector General has caused suitable preparations to be made in his office in the State House, at Montpelier, and is now ready to receive photographs that may be sent him; and in furtherance of this most desirable object, he hereby invites you to forward to him at your earliest convenience, your carte-de-visite and autograph, as voted.

Very respectfully

Your obedient servant

WILLIAM WELLS,

Adjutant and Inspector General.
